ABSTRACT

This annotated subject guide lists reference material that deals with Native Americans and is available in the Arizona State University Libraries. Entries were published 1933-98, but mostly in the 1980s-90s. The guide is not comprehensive, but rather a selective list of resources useful for researching a topic in a variety of fields. The guide includes dictionaries, encyclopedias, guides and handbooks, genealogy materials, directories, biographies, bibliographies, statistics, atlases, travel guides, and indexes and abstracts. Middle and South America are covered in a separate section. Library call numbers and locations are listed for each item. Contains a subject guide index. (CDS)
